

### **our relationship with money pdf**

Money relationships at either end of the spectrum are generally detrimental—you must find a healthy balance. A “normal” or “secure” relationship with money means that your acquisition, spending and management styles will not cause financial difficulties, and that you are reasonably content with the relationship.

### **Understand Your Relationship with Money**

Your New Money Mindset lays out a countercultural, proven, and practical approach to managing your relationship with money. Encouraging rather than preachy, Hewitt and Moline make a compelling, biblically grounded case that being wise and generous with your money and time will lead to greater joy, less worry, and
