This is a list of issues of NBC's Heroes webcomic, which supplements the television psychological thriller science fiction of the same name. The comics, which NBC refers to as graphic novels, were made available on their official website each Tuesday as part of the Heroes Evolutions experience, starting with Monsters whose release coincided with the first episode of the show.

Models of the Universe are described and classified into three major categories: Historic, Expanding, and Cellular. It is shown that all expanding universe models violate the cosmic edge and containment principle. The multi-millennium conflict between the two major world views --the changing dynamic universe and the unchanging stable universe-- is highlighted.

## **Models of the Universe**

In light of the recent severe censorship of my work, and in an effort to help make it more widely available to the world at large and for future generations, I am asking for everyone's help. In addition to many covert censorship methods being employed, I have had countless videos blocked worldwide along with my entire original YouTube channel of 7+ years, 135,000 subscribers and 28 million ...
