The role of pharmacy education, pharmacist licensing, and continuing education vary from country to country and between regions/localities within countries. In most countries, pharmacists must obtain a university degree at a pharmacy school or related institution, and/or satisfy other national/local credentialing requirements. In many contexts, students must first complete pre-professional ...

Eau de toilette (French: [o d(É™) twalÉ›t]) literally translated as toilet water (but more appropriately described as "grooming water") is a lightly scented cologne used as a skin freshener. It is also referred to as "aromatic waters" and has a high alcohol content. It is usually applied directly to the skin after bathing or shaving. It was originally composed of alcohol and various volatile oils.
