This part of the globalissues.org web site looks into the issue of racism. In some places around the world, racial hatred is increasing. Many modern conflicts also have some roots in ethnicity.

Racism â€” Global Issues

Pre-Code Hollywood refers to the brief era in the American film industry between the widespread adoption of sound in pictures in 1929 and the enforcement of the Motion Picture Production Code censorship guidelines, popularly known as the "Hays Code", in mid-1934. Although the Code was adopted in 1930, oversight was poor, and it did not become rigorously enforced until July 1, 1934, with the ...

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...
