In the study of history as an academic discipline, a primary source (also called an original source) is an artifact, document, diary, manuscript, autobiography, recording, or any other source of information that was created at the time under study. It serves as an original source of information about the topic. Similar definitions can be used in library science, and other areas of scholarship ...

Education in Hong Kong is largely modelled on that of the United Kingdom, particularly the English system. It is overseen by the Education Bureau and the Social Welfare Department. In the 2013/14 school year, there are 569 primary schools, 514 secondary day schools and 61 special schools. The academic year begins mid-year, usually starting in September.
