Squabble definition and meaning | Collins English Dictionary

A squabble is a fight but not necessarily a serious one. When we squabble, we have a little argument, probably about something not too important. Do you notice how squabble sounds kind of funny? That's a clue that a squabble is not the most serious kind of argument or fight. A loud, screaming fight would never be called a squabble.

squabble - Dictionary Definition : Vocabulary.com

Whatever dust-ups and squabbles there may be along the way, science is an essentially co-operative venture. From Cambridge English Corpus The results of these past thirty years are not easily summarized, particularly in view of the unresolved methodological squabbles of the 1970s and 80s.

SQUABBLE | meaning in the Cambridge English Dictionary

There were no more spats and squabbles, no more tiny rages nor attempts at growling; while the adventures toward the far white wall ceased altogether. View in context He died by it, too, later on, in a Balkanian
