teaching academic esl writing pdf

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...

Academic Calendar. The Academic Calendar is the University's most important publication, and serves many purposes. Much of the information it contains appears elsewhere on this site, but the calendar, updated annually, remains the official home of program and course descriptions and requirements, policies, information on the Board of Governors and Senate, important dates and much more.

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages in the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.

ESL Levels. TeachersFirst provides these descriptions of ESL levels to help you think about what your student may be capable of doing in your class. These will also help in dialog with other teachers who work with this student. If you have an ESL/ELL specialist available for consultation, you may want to talk to him/her about where your students fit in this continuum.
