Paper craft is the collection of art forms employing paper or card as the primary artistic medium for the creation of three-dimensional objects. It is the most widely used material in arts and crafts. It lends itself to a wide range of techniques, as it can for instance be folded, cut, glued, molded, stitched, or layered. Papermaking by hand is also an important paper craft.

Arts and crafts describes a wide variety of activities involving making things with one's own hands. Arts and crafts is usually a hobby. Some crafts (art skills) have been practised for centuries, others are more recent inventions. William Morris, John Ruskin and others promoted an "arts and crafts" movement in the late 19th century, which popularized the phrase.
