This article contributes to research that seeks to understand experiences of teenage motherhood. Specifically, it focuses on the stigma attached to teenage pregnancy and parenting. Negative stereotypes continue to dominate understandings of teenage pregnancy. Despite research to the contrary, teenage mothering is popularly linked to welfare dependency, promiscuity and irresponsibility.

Leaning on my gift of creativity and art to get through life and motherhood. When I'm not crafting and graphic designing my way through this journey you can find me spending my time dancing in the kitchen with my little girls, negotiating with my teenage boys, dreaming about the day when our 1928 bungalow home is finally done being renovated with my husband of 15 years, and also trying to ...
